- The customized map size has an error rate of 0.5% due to artificial involvement in cutting. Each of the map's 4 sides has 1cm blank area left for map mounting. Therefore, the map's picture size should minus 2 cm for both its length and height;
- Your company name will be, by default, added into the map;
- Zhejiang & Shanghai's City Gas Industry Statistics Table:** Each year's data introduce figures of the provincial GDP, population, natural gas production, natural gas consumption, natural gas supplied in cities, gasified city population by natural gas, coal gas supplied in cities, gasified city population by coal gas, LPG supplied in cities, gasified city population by LPG. The table introduces the latest 17 years' data officially published by China's state statistics authority. Please note that nationwide data from state authority will be published during June and be delayed, as a practice, by two years. Therefore, the latest year that contains statistics data will be "the year before last year";
- Zhejiang & Shanghai's Franchised City Gas Zones Table** introduces each franchised territories, superior prefecture city, status, company;
- Zhejiang & Shanghai's Gas Pipelines Table** introduces each main gas pipelines by project name, main area, status and company;
- Zhejiang & Shanghai's LNG Plants, LNG Import / Reshipment Terminals, LNG Satellite Stations Table** introduces each LNG projects by project name, province, city, status and company;
- Zhejiang & Shanghai's CNG Plants Table** introduces each CNG projects by project name, province, city, status and company;
- Zhejiang & Shanghai's Main Power/Chemical Users Table** introduces each gas power/chemical projects by project name, province, city, status and company.
